The Valley Area Swim Team has a contract with All American Swim Supply. We have a page on their website with team product information and discounted pricing. This year's team suits retail for \$68-70 for girls and \$32-34 for boys. You are welcome to purchase your team suit elsewhere but you will not be guaranteed the discounted price. You can purchase your suit through the website or by calling them directly, please see information below.

You will need to know what "TYR size" suit your swimmer needs. Teresa Davis will have a "fit kit" of suits to try on your swimmer. She will have these available Tuesday, May 4<sup>th</sup> and Tuesday, May 11<sup>th</sup> from 5:30 p.m. until the end of the last practice. If you cannot have your swimmer fitted during those times please contact her to set up an appointment. There is also a sizing chart on the back of this page that you can use to determine what size suit you need to purchase.
